## CHAPTER \_\_\_\_\_

An act to amend Section 382.1 of, to amend, repeal, and add Section 876 of, and to add and repeal Section 713 of, the Public Utilities Code, relating to public utilities.

## LEGISLATIVE COUNSEL'S DIGEST

SB 1154, Cedillo. Public Utilities Commission: Earned Income Tax Credit.

(1) Existing law requires the Public Utilities Commission to establish a program of assistance to low-income electric and gas customers, which is referred to as the California Alternate Rates for Energy (CARE) program. The Moore Universal Telephone Service Act establishes the Universal Lifeline Telephone Service (ULTS) program in order to provide low-income households with access to affordable basic residential telephone service.

This bill, until January 1, 2015, would require the commission to ensure that all applications for the California Alternate Rates for Energy (CARE) and the Universal Lifeline Telephone Service (ULTS) programs include specified information about the applicant's eligibility to qualify for the federal Earned Income Tax Credit. The bill would require that a telephone corporation's ULTS application include the information required by the commission.

(2) Existing law establishes the Low-Income Oversight Board for the purpose of advising the commission on low-income electric, gas, and water customer issues and serving as a liaison for the commission to low-income ratepayers and representatives.

This bill would require the board to make recommendations on whether the California Alternate Rates for Energy (CARE) and Universal Lifeline Telephone Service (ULTS) programs could assist with outreach regarding the federal Earned Income Tax Credit in a manner that would not detract from the primary goals of these programs and would minimize negative ratepayer impacts.

(3) Existing law makes any public utility, as defined, and any corporation other than a public utility, that violates the Public Utilities Act, or that fails to comply with any part of any order, decision, rule, direction, demand, or requirement of the commission, guilty of a crime.

Because the provisions of this bill are within the act and require action by the commission to implement its requirements, a violation of these provisions would impose a state-mandated local program by expanding the definition of a crime.

(4) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

*The people of the State of California do enact as follows:*

SECTION 1. Section 382.1 of the Public Utilities Code is amended to read:

382.1. (a) There is hereby established a Low-Income Oversight Board that shall advise the commission on low-income electric, gas, and water customer issues and shall serve as a liaison for the commission to low-income ratepayers and representatives. (b) (1) For CARE applicants, the information described in subdivision (a) shall be provided with all initial and recertification applications processed through an Internet Web site or by mail. For mail applications, the information may be included on a separate sheet in the same envelope that the application for the CARE program is sent. (c) CARE and ULTS applicants shall be provided with information that reads as follows:

Based upon your annual earnings, you may be eligible to receive the Earned Income Tax Credit from the federal government. The Earned Income Tax Credit is a refundable federal income tax credit for low-income working individuals and families. The Earned Income Tax Credit has no effect on certain welfare benefits. In most cases, Earned Income Tax Credit payments will not be used to determine eligibility for Medi-Cal, supplemental security income, food stamps, low-income housing or most temporary assistance for needy families payments. Even if you do not owe federal taxes, you must file a tax return to receive the Earned Income Tax Credit. Be sure to fill out the Earned Income Tax Credit Form in the federal income tax return booklet. For information regarding your eligibility to receive the Earned Income Tax Credit, including information on how to obtain the Internal Revenue Service Notice 797 or Form W-5, or any other necessary forms and instructions, contact the Internal Revenue Service by calling 1-800-829-3676, or through the Internal Revenue Service Internet Web site at [www.irs.gov](http://www.irs.gov).

(d) Failure to meet the requirements of this section shall not result in civil liability.

(e) This section shall remain in effect only until January 1, 2015, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2015, deletes or extends that date.

Applications shall include the information required by the commission pursuant to Section 713.

(b) This section shall remain in effect only until January 1, 2015, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2015, deletes or extends that date.

876. (a) The commission shall require every telephone corporation providing telephone service within a service area to file a schedule of rates and charges providing a class of lifeline telephone service. SEC. 5. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.
